1 PURPOSE OF THE HANDBOOK

This Handbook is about how the Imperial College of New Zealand (ICNZ) care for their students. You should receive a copy of the handbook when you are offered a study place on a course. This enables you to learn before you enrol how the Imperial College of New Zealand operates.

Every part of the Handbook applies to international students.

The Handbook is given to all staff, displayed in all student areas and discussed with students during orientation. Please follow the guidelines in the Handbook – they will help you to get full value from your time with us. As soon as you have read and understood the Handbook, please sign the form headed *Agreement to Follow Student Handbook Guidelines*, found on the Contents page. We will then take a photocopy of that page to put in your personal file.

4 STUDYING WITH US

4.1 The Learning Environment

We work hard to make learning enjoyable and to get good results. We do this by using good tutors, good facilities, modern equipment, up-to-date learning resources and by constantly reviewing our programmes. You are expected to attend regularly and complete your assignments on time. Our tutors provide plenty of help and give quick feedback on your work. We want you to progress as fast as possible.

- ❖ computer lab with easy access for students
- ❖ access to library resources
- ❖ student recreation area
- ❖ tea and coffee making facilities

4.2 Assessment

For all English courses we ask you first to sit an English entry test so that we can be sure to place you in the most suitable class. When you enrol for courses other than English you have to meet entry criterion requirements. If you apply for RPL (Recognition of Prior Learning, please note that the assessment for RPL is based on one or more of these pieces of evidence:

- a certified copy of your academic record
- a certified copy of a portfolio you have compiled
- an evaluation by NZQA of your overseas qualification/s (for this you must pay a fee to NZQA)
- early assessment for a part of the course

If the RPL assessment shows that you are already competent for part of the course, you may be awarded credits for that part.

Assessment results are notified quickly, discussed with students and recorded carefully. The discussions are to help with your future learning. You have the right to be re-assessed and, if you disagree with an assessment decision, you may appeal against it. Details about appeals are shown in Section 10 of the handbook.

4.3 Our Quality Management System (QMS)

We have a QMS to manage our quality with the purpose to make sure that all our students have an excellent chance of success. Our system provides:

- a secure and positive learning environment
- facilities, resources and methods necessary to deliver quality learning
- well qualified and committed staff, sensitive to the culture/s of their students.

4.5 Policies on Textbooks and other Learning Materials

Students must buy their own textbooks, either new or second-hand. They must also buy their own stationery. Learning materials other than textbooks – handouts, case studies, assessment material are provided.

Additional reading material can be obtained from your local public library. The Auckland Central Library is only a short walk from the College. The service is free - all you need to do is show a letter addressed to you at your home address. Administration can assist you to get a library card.

5 APPLICATION AND ENROLMENT

5.1 Programme Information

You can get information about our programme either from our campus in Auckland, our website or from our agents in your home country. We provide full and up-to-date information in our course handbooks, brochures and other publicity information. You are welcome to contact us or our agent if you need extra information.

5.2 Meeting programme Requirements

International students must be aged 18 or over and hold a student permit to study at the College where courses are longer than 12 weeks. For more information, please check entry criterion with administration.

5.3 Registration and Payment of Fees

- The first step is to register for a course by completing a Registration Form and supplying key information about yourself:
 - personal details
 - photocopies of certificates, with translations into English, if necessary (all copied documents must be certified as true copies by a Solicitor, Notary Public, Justice of the Peace, or Commissioner of Oaths) - the registration fee and the total tuition fees for the year

International students also need to provide:

- Evidence of their level of English
- If you meet the entry criteria for the course, we may send you a letter headed 'Offer of Place'. At this time we also send a copy of the *Student Handbook*. The 'Offer of Study Place' lists conditions which you must meet before your study place is confirmed.
- New Zealand applicants next provide any additional information needed, pay their tuition fees for the year and sign our *Tuition Contractual Agreement*.
- **For courses shorter than 12 weeks**, students do not need a student visa. You will be asked to complete an application for enrolment form and are given a student handbook, and a tuition contract and an invoice for the period of study. Once we have received your fees we will give you a receipt and you will receive a confirmation regarding the class start date and time of your first class on campus.
- **For courses longer than 12 weeks**, International students use our 'Offer of Place' letter to apply for a student permit. We can accept you only if you obtain a student permit or visa which states that you will study for a named course at Imperial College of New Zealand.

To obtain a valid passport and student permit you must provide Immigration New Zealand (INZ) with the following:

- signed INZ application form
- application fee
- passport valid until at least three months past the date you plan to leave NZ
- a recent passport-sized photograph
- evidence of financial support while in NZ (\$15,000 for a course more than 36 weeks/year, plus funds for air fares)
- an offer of a study place from a registered NZ provider such as Imperial College of New Zealand
- evidence that you have paid your fees for the first year
- evidence of a guarantee of accommodation (we can help you obtain this guarantee)
- an outline of the course you wish to follow in NZ
- a police certificate
- for people studying for more than two years, a medical and x-ray certificate
- any other documents or information required by the immigration officer

Further advice can be obtained from our agent or the INZ, as explained in the statement below.

Immigration

Eligibility for Health Services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

Accident Insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.govt.nz

We also help you to find your way around Auckland.

We discuss the Student Handbook so you are clear about your rights and responsibilities as a student. We provide an introduction to New Zealand society, including information about the Treaty of Waitangi, the agreement signed in 1840 between Maori and the British government. International students are reminded what they must do to meet the requirements of Immigration New Zealand.

- ii. Withdrawing after 10 days of the course (from 11th day onwards), students will receive no refund, unless exceptional circumstances proven.

2. Students withdrawing before the course starts will also be subject to the above criteria, i.e they will be entitled to a refund less any amounts (such as Insurance fees if already applied by the provider, the homestay placement if already confirmed by the student) allowed to be retained.

3. A full refund of any and all course-related fees paid by students will automatically be given for courses which are cancelled by Imperial College of New Zealand, or which did not start due to an insufficient number of enrolments.

3. Imperial College of New Zealand reserves the right to cancel any course for which there are insufficient enrolments.

Procedures for the policy

1. Students wishing to withdraw from courses must complete the Course Withdrawal Request Form and make an appointment with the Administration to discuss their withdrawal, any refund of fees and implications for student visa.
2. Student withdrawals are processed and if course fees have been paid the refund application for early withdrawals or beyond the early withdrawal period with exceptional circumstances are given to the Principal for approval.
3. Refund Requests are approved or declined by the Principal or nominee based on the refund and withdrawal policy. Requests for refunds, beyond the refund period, will be considered at the discretion of the Principal or nominee.
4. Administration will notify Immigration New Zealand of the withdrawn International student on the northern region form available at <http://www.immigration.govt.nz/NR/rdonlyres/6AA718E2-6C60-4415-88EC-232900CE2808/0/StudentTerminationFormNorthernRegion2010.pdf>
5. Public Trust Refund Forms are generated by the Administration for approved refunds and given to the student for signature and any relevant information.
6. Completed Public Trust refund forms are then sent to Public Trust for Authorisation and processing of fees held by Public Trust. Fees will be paid back to the student or appointed provider for the continuation of their studies (if applicable).
7. In the instance where fees have been released by Public Trust to Imperial College of New Zealand according to the payment schedule the Administration will establish the balance to be refunded from Imperial College of New Zealand back to the student or appointed provider for the continuation of their studies (if applicable).
8. All refund documents are filed and kept at the ICNZ's office for audit processes; copies are filed under the respective student's folder.
9. Students whose attendance is below the accepted percentage, or has failed to make contact with the school, despite warning letters being sent or phone calls made will be withdrawn from the course and Immigration New Zealand notified immediately, and no refund applies.

6.3 Protection of Student Fees

Student fees are placed in a special trust account operated by Public Trust. Fees for each student are accounted for separately. The trustee releases funds to the College each fortnight after you have received tuition.

6.4 Protection (Indemnification) of Student Fees if the College is Unable to Complete a Course

The student fees trust account protects your fees for the whole length of a course. This protects you from the unlikely situation where we are unable to complete a course. If that happens, you are reimbursed for the weeks of the course that cannot be delivered. In addition, we will help you to enroll with another provider which has a similar course. Details of credits you have gained towards a certificate or diploma will be transferred to the new provider.

Please note that there is a fee for submitting credits to NZQA. Students will have to pay credit submission and certificate fees. This amount is paid along with tuition fees when the student enrolls at the College.

6.5 Costs Other than Fees

- A course textbook or textbooks may cost about NZ\$100, depending on the course
- A dictionary and stationery items may cost \$100.
- Transport to and from our campus may cost \$75 week (\$3,000 over 40 weeks) if you are staying at a homestay.
- Bus fares for class field visits may also cost \$75 over 40 weeks

7 LIVING IN NEW ZEALAND

7.1 Accommodation Service

We help you to find suitable accommodation and we contract an accommodation agent, Kiwi Homestays Limited, to make the arrangements. If you have any questions or problems about accommodation, please contact our Administration.

7.2 Range of Accommodation Available

Four kinds of accommodation are available, as described below. Imperial College of New Zealand has not assessed any of these accommodation providers.

Nikau Street Student Hostel

This is especially useful for first year students living in a new country. It is an easy 10 minutes' walk to the college and has pleasant bed-study rooms, a large kitchen and recreation facilities.

Homestays

Homestays are family homes, usually with separate houses with their own gardens. A typical home has two adults and younger children. Normally you are provided with morning and evening meals from Monday to Friday and other meals by arrangement. The minimum time in any one homestay is four weeks. Homestay costs may be approximately:

- an initial payment (to the college) of \$880 at the time of registration (for the first four weeks)
- an additional \$220 a week (to the college) for every week you will be in that homestay, including the study breaks in your course

Private Boarding Establishments

This kind of accommodation provides full board, including all meals and sometimes extra services such as ironing. Boarding establishment costs are likely to be:

- an initial payment of \$880 at the time of registration (for the first four weeks)
- an additional \$220 a week (to the college) for every week you will be in that homestay, including the study breaks in your course

Flats (apartments)

A flat may be part of a house or a whole house which is shared between two or more flatmates. Flating or apartment accommodation is usually more expensive. Flats may cost between \$250-500 a week, depending on their quality, location or whether or not you are sharing. An initial bond will often be required. In addition to the rent you can expect to pay about NZ\$ 70.00 a week if you prepare your own food, \$40 a week for energy (heating, lighting, cooking, hot water) and \$20 a week for a telephone.

Wherever you stay you will pay extra for transport, entertainment and restaurant meals. These costs differ widely from person to person.

7.3 Alcohol and Tobacco

New Zealand has strict laws for the use of alcohol. You must be aged 18 to buy alcohol or enter a bar where it is sold.

Shop keepers must not sell tobacco to anyone under the age of 18. Smoking is banned in most public buildings and in many private buildings, restaurants and hotel bars – even at the Auckland Zoo.

Smoking is not allowed in any part of our campus buildings. It is a health hazard and it is not acceptable for non-smokers to breathe air polluted by tobacco smoke.

7.4 Driving and Traffic Laws

In New Zealand all vehicles travel on the left hand side of the road. Before you drive in New Zealand you should study the Road Code to learn the rules of the road.

If you have a driver's licence from another country or an international driving permit, you may drive in New Zealand for up to one year. After that you must get a New Zealand licence. There are three kinds:

- *Learner Licence*: fees \$80, theory test, then driving under supervision
- *Restricted Licence*: attempt practical test after six months as learner, fees \$88.20, supervised driving from 10.00 pm till 5.00 am
- *Full Licence*: apply after 18 months with a restricted licence (6 months if aged 25 or over), fees \$115.00, unsupervised driving

For further details contact the Land Transport Safety Authority - free phone: 0800 822 422, website: www.ltsa.govt.nz

7.5 Alcohol and Driving

It is recommended that no driver should drink and then drive. The current blood alcohol limit for drivers is 0.05ml for fully licensed drivers and this limit may be lowered. There are heavy penalties for people who drink and drive.

7.6 Motorists, Cyclists and Pedestrians

Motorists and cyclists have both rights and responsibilities on New Zealand roads, and pedestrians have rights and responsibilities when they are crossing roads.

Motorists:

- Give cyclists space (half a car width) and do not try to pass them unsafely
- Watch for sudden movements, especially in windy conditions which make cycling difficult
- Use dipped headlights for oncoming cyclists
- Park with care; look for cyclists before opening a door
- Stop for pedestrians on pedestrian crossings
- Stop when requested by school patrols which control children crossing roads

Cyclists:

- Always wear a safety helmet
- Wear clothing that makes you visible
- Ride single file in town traffic
- Think ahead and signal to show drivers what you intend to do
- Stop for pedestrians on pedestrian crossings
- Stop when requested by school patrols which control children crossing roads
- Do not: jump red lights; ride on pavements; ride on pedestrian crossings; ride up a one way street against the traffic

Pedestrians

- Cross the road on pedestrian crossings, if they are available, and walk quickly over the crossing
- Wear visible clothes at night and signal your intentions to drivers and cyclists

8 WELFARE SUPPORT SERVICES

8.1 Code of Practice for the Pastoral Care of International Students

Imperial College of New Zealand has agreed to observe and be bound by the *Code of Practice for the Pastoral Care of International Students*. Copies of the Code are available from the NZQA website at www.nzqa.govt.nz.

8.4 General Medical Support

As stated in Section 4 above, international students must arrange for private medical insurance to cover any health problems they may have while in New Zealand. Of course our staff will also help you to contact any health professionals you may need.

8.5 Job Search

College provide support to:

- Provide a summary of your academic record
- Provide a reference – although it is our choice whether to do so
- Advise on the preparation of your CV
- Advise you on job search skills
- Advise you on interview techniques
- Help you make contact with employment agencies or human resource managers in large firms

9 ADMINISTRATION

9.1 Weekly Timetable

Class hours are normally between 0830 and 1715 hours, Monday to Sunday. Please check with your individual schedules for your class times. You must attend College for 20 hours per week. You are also expected to study for up to 15 hours a week in your own time. It may be possible to spend part of those 15 hours working at our campus – for example, if you wish to use a computer so that you can complete an assessment.

Good time-keeping is essential - staff and students are asked to be on time for all classes and meetings. Good time-keepers are more likely to be good students and, later, reliable workers.

9.2 Attendance and Absences

To qualify for a course certificate you must attend 100% of classes. Time off is allowed for illness, dental appointments, and other special circumstances. Students must provide evidence for their absence.

Please notify the Student Support staff, teacher or Administration by telephone when you know you will be absent. If you will be absent for three days or more, please give notice in writing. In some situations special leave can be given which does not affect your attendance record.

If your attendance record is unsatisfactory you will receive a reminder notice from us. If you are absent for three days without notice or if your attendance record falls below 90%, you will receive a warning letter from our College. Our main concern will be to help you solve any problems and to complete your assignments.

The Immigration New Zealand requires international students to have an excellent attendance record. **If your attendance is less than 90% and you have received three warning letters, the Immigration Service will be notified. This may lead to the withdrawal of your study permit.** Please read Policy 6.7 - Student Attendance and Academic Performance Requirements for detail.

9.3 Student Records

The Administration staff keeps your Records of Learning and other student records, including your address and contact details. If you change your address or contact details, please notify the administration immediately. You may ask for up-to-date details of your records at any time.

The College will provide a record of learning at the end of every academic year, if you wish for a copy at any other time please request it in writing to Student Support.

9.4 Safety

Safety is governed by our *Health and Safety Manual*. A copy is placed on the common room notice board. We also discuss health and safety during orientation. Any accident resulting in injury must be reported to the tutor in charge.

9.5 Food

Lunch can be bought from nearby shops. We provide a kitchen and common room where you can prepare your own hot drinks and eat your food in comfort. No food or drink (except bottled water) may be consumed in classrooms.

9.6 No Smoking Policy

Smoking is not permitted in any College area – for reasons of health, safety and courtesy.

9.7 Alcohol and Drugs

You must be able to prove you are 18 years or over to purchase alcohol at liquor outlets. Using nonprescription drugs is illegal in New Zealand. Therefore, no alcohol or drugs are allowed on College premises - except drugs prescribed by a doctor. Possession and/or use of alcohol or drugs on College premises will lead to early dismissal from the course. Action will be taken after the first offence – there will be no warnings. Dismissal will first be discussed with the student concerned and, if the student is under 18, with a parent or guardian. In the case of international students, dismissal from a course will be notified to the Immigration New Zealand.

9.8 Harassment and Sexual Harassment

Any kind of harassment is regarded as a serious matter. Sexual harassment is illegal and a serious offence. For the purpose of this Handbook, sexual harassment includes:

- Requests for sexual favours, including implied or overt promises of preferential treatment or threats concerning present or future employment status.
- Sex-oriented jibes or verbal abuse, i.e. jokes, teasing or abuse about sexual matters.
- Unwarranted and deliberate physical contact which may include patting, pinching or brushing against someone.
- The display of pornographic pictures in learning areas, e.g. pin-ups, calendars or other material which degrades.

At the College we have a duty to provide an environment free from sexual harassment. It is also the duty of any person who suffers from harassment, or observes it, to take action to stop it.

9.9 Withdrawal of Tuition Services and Exclusion from a Course

In some circumstances it may be necessary for us to withdraw tuition from a student and ask him or her to leave a course. If this happens to an international student, Immigration New Zealand will be notified.

Exclusion takes place if a student breaks their study contract through one or more of the following actions:

<ul style="list-style-type: none">• having no authority to study – e.g. a student permit has expired	<ul style="list-style-type: none">• providing inaccurate personal information
<ul style="list-style-type: none">• poor attendance	<ul style="list-style-type: none">• poor performance – e.g. failure to complete assignments
<ul style="list-style-type: none">• harassment or sexual harassment	<ul style="list-style-type: none">• damage to property of other students or to the College
<ul style="list-style-type: none">• breaking a New Zealand law	<ul style="list-style-type: none">• Plagiarism, in other words, copying, cheating, presenting work that is not original or done by the student

Students whose behaviour is regarded as unsatisfactory are entitled first to two verbal warnings. At this point the homestay host and parent of international students under 18 are notified. This is because we wish to discuss the matter carefully before any further action is taken.

If behaviour continues to be unsatisfactory, students receive a written warning which states what will happen if they continue their behaviour. Whenever the possibility of dismissal arises we shall first discuss the matter carefully with the students and whoever else is involved. Our main concern is to help you overcome problems and finish your course.

Students faced with withdrawal of tuition services and exclusion from a course have the right to have their case reconsidered by an external authority, as explained in Section 11 below.

9.10 Holiday Breaks

Students are entitled to holiday breaks between semesters and about half way through semesters. Read your course handbook or ask for details when you enrol.

9.11 Personal Property

We try to keep your personal property as secure as possible, but we cannot accept responsibility if it gets damaged or lost.

9.12 Respect for Others

On our campus we have a multicultural environment which makes it an interesting place in which to work and study. It also means that we must respect the beliefs and values of others at all times.

9.13 Telephones

We accept telephone messages for you and will notify you about them as soon as possible. Mobile phones are permitted but may not be used in class time.

10 DEALING WITH PROBLEMS

10.1 Grievances and Complaints

If you have a grievance or complaint about another person, an assessment, or anything else mentioned in this handbook, you should first try to settle the matter within the College. If it cannot be settled at this level, you may refer your problem to an external authority and you will have the full support of the Imperial College of New Zealand while it is dealt with. We will supply the external authority with information it needs and will cooperate with it in any other way necessary.

10.2 Procedures for Settling Grievances and Complaints

- First, talk directly to the person or persons concerned.
- If the problem is not resolved, discuss it with the Programme Coordinator or Student Support and record the details on a 'Grievances, Complaints and Appeals' form (see Appendix 3). Keep a copy for your own records. It is important to create a written record of your complaint or grievance.
- If the Programme Coordinator or Student Support is unable to find a solution, the next step is to ask the Academic Leader (academic issues) or Principal to consider it.
- If a discussion with Academic or Principal does not find an acceptable solution, you may then refer the problem to an external organisation. The 'Grievances, Complaints and Appeals' form lists which organisations you could ask to reconsider your case. The following organisations deal with all student problems, except those to do with assessment:
 - The International Education Appeal Authority, c/- Ministry of Justice, Private Bag 32001, Wellington, Phone (04) 462 6660 (see Appendix 1 for details about the IEAA)
 - NZ Qualifications Authority, PO Box 160, Wellington 6140, Phone 0800 697 296

10.3 Reassessment and Appeals against Assessment Decisions

As far as possible, reassessment and appeals against assessment should be settled within the College. If you believe that your work has been assessed unfairly, or that your performance was affected by ill health, you must first discuss the matter with your tutor. If you remain dissatisfied with the assessment, ask your Programme Leader. Still unhappy with the response speak to the Academic Leader. Then if the matter has not been resolved you may speak with the Principal. Please do not attempt to speak with the Principal without following the above procedure. These steps will be recorded on the 'Grievances, Complaints and Appeals' form.

External appeals may be made when an assessment matter cannot be settled within the school or college. The Principal can advise on how to make such an appeal. External appeals are made to the person who moderates our assessments.

The final source of appeal for assessment matters is: Moderation Services, New Zealand Qualifications Authority, PO Box 160, Wellington 6140. A notice about the above procedures and the contacts with appeal authorities is posted on our common room notice board.

Appendix 1: Summary Code of Practice for the Pastoral Care of International Students

When students from other countries come to study in New Zealand, it is important that those students are well informed, safe, and properly cared for.

New Zealand educational providers have an important responsibility for international students' welfare. This summary provides an overview of the "Code of Practice for the Pastoral Care of International Students" (the Code), and provides a procedure that students can follow if they have concerns about their treatment by a New Zealand educational provider or agent of a provider.

What is the Code?

The Code is a document that provides a framework for service delivery by educational providers and their agents to international students.

The Code sets out the minimum standards of advice and care that are expected of educational providers with respect to international students. The Code applies to pastoral care and provision of information only, and not to academic standards.

Who does the Code apply to?

The Code applies to all education providers in New Zealand with international students enrolled. The Code is mandatory to these providers and must be signed by them.

What is an "international student"?

An "international student" is a foreign student studying in New Zealand.

How can I get a copy of the Code?

You can download a copy of the Code from the NZQA website at www.nzqa.govt.nz

How do I know if an education provider has signed the Code?

NZQA maintains a register of all signatories to the Code. This is available online from www.nzqa.govt.nz. If the education provider that you are seeking to enrol with is not a signatory to the Code you will not be able to study at that institution.

What if I have questions about the Code?

NZQA is the Administrator of the Code. If you have any inquiries about the Code, you can find out more information at www.nzqa.govt.nz or email code.enquiries@nzqa.govt.nz.

What if something goes wrong?

If you have concerns about your treatment by your education provider or by an agent of the provider, the first thing you must do is contact the principal, the international student director, or another person who has been identified to you as someone that you can approach about complaints at your institution. The Code requires all institutions to have fair and equitable internal grievance procedures for students, and you need to go through these internal processes before you can take the complaint any further.

If your concerns are not resolved by the internal grievance procedures, you can contact the International Education Appeal Authority (IEAA)

What is the IEAA?

The IEAA is an independent body established to deal with complaints from international students about pastoral care aspects of advice and services received from their education provider or the provider's agents. The IEAA enforces the standards in the Code of Practice.

How can I contact the IEAA?

You can write to the IEAA at:

International Education Appeal Authority
Tribunals Unit
Private Bag 32001
Featherston Street
Wellington 6011

International Education Appeal Authority Tribunals Unit
Level 1, 86 Customhouse Quay

F 64 4 462 6686
E ieaa@justice.govt.nz
W www.justice.govt.nz/tribunals/international-education-appeal-authority

What will the IEAA do?

The purpose of the IEAA is to adjudicate on complaints from international students. The IEAA will investigate complaints and determine if there has been a breach of the Code. The IEAA has the power to impose sanctions on education providers who have committed a breach of the Code that is not a serious breach. These sanctions include an order for restitution, publication of the breach, and/or requiring that remedial action be undertaken.

The IEAA will refer complaints that are not about pastoral care to another regulatory body if appropriate.

The education provider will be given a reasonable time to remedy the breach. If the breach is not remedied within that time, the IEAA may refer the complaint to the International Education Review Panel (the Review Panel).

The IEAA can determine if it considers that a breach of the Code is a serious breach. If the breach is a serious breach, the IEAA will refer the complaint to the Review Panel.

Appendix 5 - Cheating and Plagiarism

Academic honesty is one of the most important values of our organisation. Imperial College of New Zealand does not accept any kind of academic dishonesty, which includes: Cheating and Plagiarism.

Cheating:

Cheating is a fraudulent practice for the purpose of achieving course work. It includes any dishonest action taken by the student to gain credits.

Plagiarism

Plagiarism is also a form of cheating, which includes the “use/representation of someone else’s work as your own work”. This work could be published or unpublished, but it is considered as the intellectual property of someone else.

The college understands that student will need to include information from various authors, books, websites, articles, researches etc in order to do their assessments, but student need to be aware to include correct references.

Complete information on plagiarism and referencing are discussed during orientation; hence student must attend orientation. This information is also discussed on an ongoing basis as a part of student’s assessment conditions.

If a student is suspected of cheating, plagiarism or any kind of fraudulent activity, the following procedure shall be implemented:

1. Student will receive a letter to attend a meeting with a Panel (Academic Leader, Programme Coordinator and Tutor). Information about allegation (Cheating or plagiarism) will be given to the student along with the letter.
2. During the meeting, student will be given a chance to discuss/explain about the allegations. Students are entitled to provide any evidence to prove that the allegations against you are not true.
3. After the meeting, a decision will be made by the panel.
 - If the Panel feels that student was unintentionally involved in the fraudulent activity, student will be given 7 days to submit/resubmit your work. Student may also receive warning letter.
 - If student accepts the allegation and it is found that this is the first offence, student may be given one chance to submit/resubmit the work. This will be the final attempt for the student. Student will also receive a written warning letter and this will be placed in student’s record file.
 - If student accept the allegation and it is found that this is not the first offence, then the College will have no choice but to terminate student’s registration and inform Immigration New Zealand.
 - If student deny the allegation but the Panel is satisfied the allegation is true then the student can appeal internally to the Principal of the College. The Principal will investigate the case, have a meeting with student and will make the final decision. If Principal is satisfied the allegation is true then the College will have no choice but to terminate student’s registration and inform Immigration New Zealand.

If student fails to attend the meeting, the college will assume that you accept the allegation.

4. If Student is unhappy with any of the decisions, student can appeal to the designated external authority. The contact details of the external authorities are given in your handbook and also are displayed on the notice board.

Appendix 6 – Policy 6.7 Student Attendance and Academic Performance Requirements

Responsibility for the policy

The CEO is responsible for the implementation of this policy and procedure and to ensure staff and students are aware of its application and that staff implement its requirements.

Purpose of the policy

The purpose of this policy is to define the system used to determine that all courses that have minimum attendance requirements have clear policies and procedures in place for recording student attendance and addressing the issue of students who are not meeting course attendance and/or performance requirements. These procedures must accord with Imperial College of New Zealand policies and academic standards, and facilitate due process at all times.

Statutory obligations for the policy

- Education Act 1989

Background to the policy
