Testimonial from Avinash Sodhi - Imperial graduate

"I spent a year studying at Imperial College of New Zealand and this was an absolutely unforgettable period in my life. While studying at ICNZ, I grew as an individual, learning to interact and talk to people from different backgrounds.

ICNZ is not only professional in teaching international students, but the school is also good at taking care of students. I enjoyed the caring and friendly environment at ICNZ and also I enjoyed studying at ICNZ as all of my teachers were great and helpful.

The facilities at the school are impeccable and the variety of services available made me always feel very supported."

I am thankful to all ICNZ staff.
