

## Newsletter May 2025

### Welcome

Kia ora – Greetings

Welcome to our regular news update: the official newsletter of the Imperial College of New Zealand (ICNZ).

### Celebrating Our Graduates of the New Zealand Diploma in Construction- Level 6

We are proud to recognise the hard work and dedication of the 13 students who have successfully graduated with the New Zealand Diploma in Construction in 2025. Their commitment to mastering the essential skills and knowledge for the industry is truly commendable.

Congratulations to all of our graduates! Your future is being built on a solid foundation, and we look forward to seeing the incredible contributions you will make to the construction industry.

## Celebrating Our 2024 Construction Diploma Graduates

We are proud to highlight the success of our 2024 construction diploma graduates. All four have secured impressive roles within New Zealand's construction industry.

***One is employed as a Construction Manager, another as a Site Foreman—both on post-study work visas. Two graduates are now Project Managers, with one achieving New Zealand residency.***

We celebrate their achievements and wish them continued success as they build promising careers and contribute meaningfully to the industry.

## Site Visits and Student Support

Our construction diploma students benefit from regular site visits that provide hands-on industry exposure.

### CONSTRUCTION SITE VISIT

Monthly support sessions further enhance student development by covering key topics such as academic writing, plagiarism awareness, and professional growth. In addition, we regularly host seminars and talks with licensed immigration advisers to provide up-to-date guidance on immigration policies and pathways.

### SEMINAR ON IMMIGRATION

To strengthen their real-world skills, our students participated in a site meeting simulation.

With staff guidance and peer support, they practiced effective communication, problem-solving, and decision-making in a collaborative environment.

We believe activities like these play a vital role in bridging the gap between classroom learning and industry expectations.

### Supporting Industry Skills Through Simulation

## Student Activities – Building Community Beyond the Classroom

Over the past few weeks, our students came together to celebrate Mother's Day, enjoy a beach day, relax at the park, and share a BBQ. These gatherings offer more than just fun—they foster friendships, support wellbeing, and help create a welcoming, inclusive environment.

We are proud to see our students building lasting memories alongside their academic journey.

### Celebrating Mother's Day

We are committed to supporting our students—both academically and personally. We remain dedicated to helping our students succeed not only in their studies but also in their future careers and communities.

Bringing Students Together  
Over Food & Friendship!

## Student Orientation

To ensure a smooth and confident start to their academic journey, we provide all students with a comprehensive orientation programme. This essential first step introduces learners to our campus culture, academic expectations, and the wide range of support services available to them throughout their studies.

ORIENTATION PROGRAM

The orientation covers everything from key policies to student support services. It is also an opportunity for students to connect with staff, meet their peers, and ask questions in a supportive environment.

Our goal is to help students feel confident, informed, and fully prepared from day one.

## NZQA Approval for New Zealand Certificate in Study and Employment Pathways (Level 4) (Commerce) (Version 2)

We are excited to announce that NZQA has approved the *New Zealand Certificate in Study and Employment Pathways (Level 4) (Commerce)*.

This programme provides a strong foundation for learners aiming to progress to further study at NZQCF Level 5 and above—whether it's a degree, diploma, or certificate in their chosen field.

***The first intake begins on 9 June 2025, and we look forward to welcoming students to this new learning opportunity.***

## Admission Process – Follow These Simple Steps

- Submit a duly completed **Application for Enrolment**, along with a copy of your **passport**, **academic documents**, and **evidence of English language proficiency**.
- Your application will be assessed, and you will be notified of the outcome within **five (5) working days**.
- We may invite applicants for an **interview** as part of the assessment process.
- An **Offer Letter** will be issued to successful applicants who meet the **eligibility criteria** and satisfy all admission requirements.
